Acting Assistant Director for Operations**Acting Chief, FBIS****Progress Report for February 1958****OPERATIONS**

1. A heavy snowstorm beginning Saturday 15 February curtailed operations at headquarters on the 17th and 18th. Thanks to the special efforts of the small staff present and the cooperation of the PSD, a 100-page edition of the Daily Report was issued on the 17th. On the 18th, for the first time in the work-day history of FBIS, no Daily Report was issued. The same storm partially isolated the East Coast Bureau for two days. Beginning Monday the 24th, all access roads to the West Coast Bureau were closed by flood waters and the station was isolated for 40 hours. At both bureaus, on duty staff working overtime assured uninterrupted coverage and communications.
2. Arrangements have been made to activate Phase III of the allocated channels communications plan on 3 April. This will provide a two-way circuit between Tokyo and Washington.
3. To lessen the traffic backlog at the Army Signal Center at Pirmasens Germany, caused by inexperienced operators, arrangements have been made to divert a portion of eastbound traffic by common user circuit through Saran (Orleans).
4. A new edition of "Foreign Press Transmission Schedules", the first to be published since August 1955, is now being distributed to consumers.
5. The Austrian Bureau was instructed to terminate processing of Soviet Bloc journals as of 14 February. The Communist press scrutiny unit in Vienna will henceforth concentrate on supplying current materials from daily newspapers for use in the Daily Report. FPD now has sole responsibility for meeting RPB requirements from the journals.
6. During February, FBID contributed 25% of the items contained in the OCI Daily Digest.
7. Supplements to the Daily Report:
 - a. 6 February -- World Radio and Press Reaction to Launching of American Earth Satellite.
 - b. 11 February -- Speeches at Padang by Indonesian Rebels Simbolon and Hussain on 10 February (These two items, also carried in the DAILY REPORT for 10 February, were reproduced in additional

copies for special distribution at the request of the DCI).

- c. 12 February -- SED First Secretary Walter Ulbricht's Speech on Administrative Reorganization to the GDR People's Chamber on 10 February.
- d. 12 February -- Fifth Session of the CPB National People's Congress: Report of Implementation of the 1957 Budget and Draft State Budget for 1958, Delivered 1 February.
